Crawl Magazine: Issue 20 will likely have the RC4W snowbashing trip to Arlington in it. If you don't subscribe, now would be a good time. I will see if I can get my hands on some copies for those that don't end up with one. Info at <http://www.crawlmag.com>

Tales From the Trails

An Ode to Arlington

*The rocks will soon be covered with snow,
This much we know.
The ponies are getting restless,
They know their time is near,
To get out and play with no fear.
When the weather is no longer fair,
And the snow reaches our armpit hair,
Horsepower begins to fill the air.
The time for talkin' is over,
Those with weak hearts should run for cover.
For this is the one,
Known as "Arlington".
A high speed tree-dodging affair,
That is certain to scare up your neck hair,
And cause your "HoHo's" to retreat to their lair.
This is it boys,
So bring on your toys.
Arlington is ready for some smack,
And **Wild Oats** is back!*

Ride 'Till Ya Can't,
Rod
